

# 5 Steps to Completing an MMP eApp

## Activate Okta Account

1

Okta is the platform to log into the new MMP eApp.

2

## MMP eApp for Quoting and Enrollment

Click on the MMP eApp for Quoting and Enrollment tile to start the eApp process.

## MMP eApp Dashboard

3

The MMP eApp Dashboard will appear. Click on Start an Application.

4

## Customer Details

Enter the Customer Details and proceed through the quoting experience.

## Submit the Application

5

Once you have completed the quoting and application steps, Submit the application for processing.

Scan QR code to Access Okta

**You have successfully completed the steps to submit an MMP application!**

Contact your MedMutual Protect Manager if you have any questions.
